Batch 2025

❖ Student Employability Enhancement Activities:

- Aptitude test series for all branches students.
- Technical test series for all branches students.
- Technical Mock(Virtual) interview scheduled for all students by Campus Credentials trainers.
- Technical Mock (Virtual) interview scheduled for all students by Campus Credentials trainers.
- Technical Mock interview scheduled for all students by industry experts.
- FSD Certification Program & Machine Learning Program by Symbiosis Skill University 335 students for 2025 Batch.
- “Employability Skill Programme” conducted by Mahindra Pride Classroom, Naandi Foundation -146 (Girls Students)
- C Language & Data Structure by Mr. Sandeep Thakre UBS Poland 11 students
- Wipro TalentNext Program – 283 students
- MakeMyCareer_WCF program Career Rediness Program 143 students
- CV Dragon Resume Building Workshop 203 students
- Talent Battle 225 students
- Persistent AWS program 234 students
- Amazon WoW Platform Training for Female 125 girls students
- Infosys springboard 125 students
- Campus Credentials FSD Python Training Program 35 students
- CQ Super Coder Program 2025 Batch 35 students
- Zensar ESD Certification program by RPG Foundation 2026 Batch 100 students
- German language training program 66 students
- Japanese language training program 79 students
- Aptitude training from 1st year for placement and good package opportunities
- CodeChef for coding related learning & student’s progression
- Alumni mentorship to all candidates for skill enhancement
- Artificial Intelligence (AI) Robotics & Automation & Workshop 84 students Sponsored by Vinsys IT Services (i) Pvt. Ltd
- Augmented Reality (AR) and Virtual Reality (VR) Training Program 70 students Sponsored by Vinsys IT Services (i) Pvt. Ltd certification issued by IIT Mandi .

Batch 2026

- A total of **1,682 student enrollments** were recorded across various training and skill development programs.
- The highest student participation was observed in:
 - **r3 Sys Training_2026** with **193 students**
 - **Infosys Foundation Ethnus Training Program – FSD MERN** with **182 students**
 - **Infosys Foundation Ethnus Training Program – AWS** with **181 students**
 - **Wipro TalentNext – Java** with **173 students**
 - **r3 Sys Training** with **169 students**
- The **Computer Engineering (Comp)** department recorded the maximum participation with **622 enrollments**, followed by:
 - **Electronics & Telecommunication (ETC)** – **313**
 - **Data Science (DS)** – **287**
 - **AIML** – **248**
- Technical skill development programs such as:
 - **Full Stack Development (FSD)**
 - **AWS Cloud Training**
 - **Java Programming**
 - **Database Training**
 - **MERN Stack**
 - received excellent student response across departments.
- The **Infosys Foundation Ethnus Programs** collectively trained more than **360 students** in emerging technologies like MERN Stack and AWS.
- **Wipro TalentNext Programs** engaged over **219 students** through Java and Database training initiatives.
- **r3 Sys Training Programs** together benefited more than **360 students**, making them one of the most impactful training initiatives.
- Soft skill and aptitude enhancement programs conducted by **GTT Foundation** benefited around **125 students**, improving employability and placement readiness.
- **Mahindra Pride NAANDI Foundation** conducted three batches with a combined participation of over **100 students**, focusing on career readiness and professional skills.
- Foreign language training programs also received good participation:
 - **Japanese Language Training** – **55 students**
 - **German Language Training** – **25 students**
- Interdisciplinary participation from departments like **Electrical, Civil, Mechanical, AIDS, and IT** reflects strong interest in industry-oriented skill enhancement programs.
- The training initiatives collectively contributed toward:
 - Improving technical competency
 - Enhancing placement preparedness
 - Building industry-relevant skills
 - Encouraging multidisciplinary learning opportunities

Free Access to Global Competitive Coding via CodeChef

2819 RCPITians Benefited

2283 (81%) RCPITians with ★ Rating!

RCPIT is the **First** to offer **FREE** access to the Global Competitive Coding Platform- **CodeChef**, empowering students to master programming, sharpen problem-solving skills, and actively participating in national and global coding challenges throughout their **Engineering journey** (First to Final Year). This initiative significantly boosts technical confidence, global competitiveness, and opens doors to top-tier placement and career opportunities in the AI and IT industry.

Empowering Global Borders: Multilingual. Multinational. Mastered.

At RCPIT, *language is more than communication-it's a gateway to global opportunity*. Students gain certification in **English, Japanese, and German**, enhancing their employability in multinational companies and international markets. This multilingual edge empowers graduates to connect, compete, and collaborate on a worldwide stage.

INDUSTRY- INSTITUTE INTERACTION CELL

Preface

- ❖ For quality enhancement of Engineering Education & to meet the needs of the Industry, Society and economy, technical education system should operate at optimum efficiency and should produce good quality engineers' who will deliver quality product to employers. To optimize the deployment of physical and human resources of Institutions and Industries in the pursuit of development of technical manpower & to enlist participation of industry in technical education programmes with a view to have better interaction between Industries and Institute, RCPIT has started Industry Institute Interaction Cell (IIIC).

Objectives

- ❖ To Bridge the gap between Industry and Academic Practices.
- ❖ To Share the Experience and Expertise Between Institutions and Industry for Mutual Benefit.
- ❖ To organize various Workshops, Training Programs with Joint Participation of The Faculty and The Industries.
- ❖ To Encourage Engineers from Industry to Visit Engineering Institution to Deliver Lectures & Expert Talks.
- ❖ To Nurture & Develop Good Work Culture & Environment in Students.
- ❖ To foster Research Work and develop Laboratories, Discussions and Delivering Lectures on Industrial Practices, Trends and Experiences.

To promote Industry - Institute Interaction following schemes are being undertaken

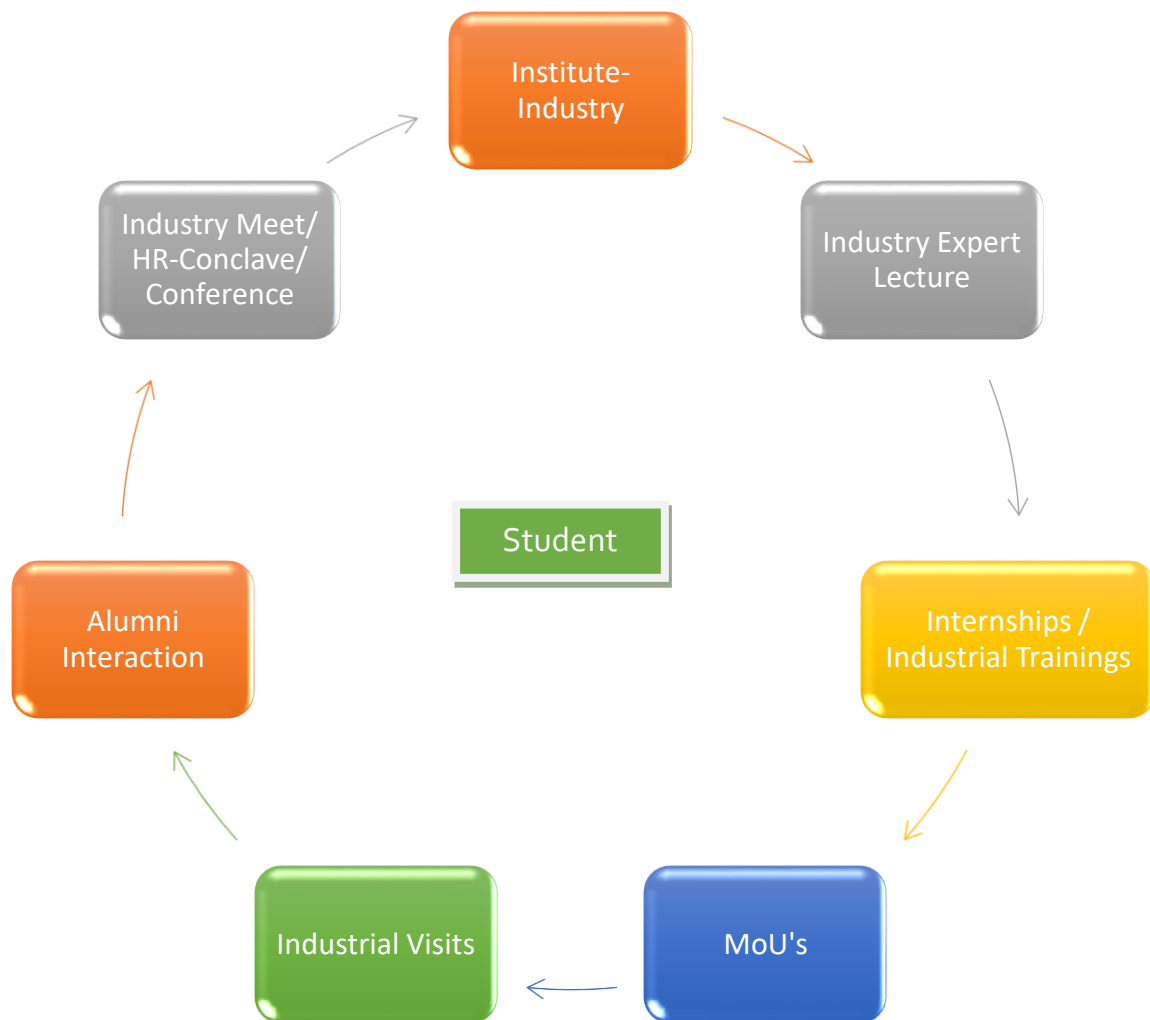

- ❖ Establishment of the Industry Institute Interaction Cell (IIIC)
- ❖ Organizing Workshops & Training Programs with joint participation of the faculty and the industries.
- ❖ Memoranda of Understanding (MOU) between the Institute and Industries to bring the two sides emotionally and strategically closer.
- ❖ Projects based work in industries under joint guidance of the faculty and experts from industry.
- ❖ Industrial Training & Internship for Students.
- ❖ Arranging visits of staff members and Students to various Industries.
- ❖ Visits of industry executives and practicing engineers to the Institute for seeing research work and laboratories, discussions and delivering lectures on industrial practices, trends and experiences.
- ❖ Projects Sponsorship for students.
- ❖ Encouraging engineers from industry to visit Engineering Institution to deliver Guest Lectures & Workshops.
- ❖ Placement Program.
- ❖ Student Career Counselling and Guidance.
- ❖ Alumni Interaction.

- ❖ Joint Research & Development activities and field studies by faculty and people from industries.
