Training & Placement Report

Our Vision

To achieve excellence in engineering education with strong ethical values.

Our Mission

To impart high quality Technical Education through :

- **Innovative and Interactive learning process and high quality, internationally recognized instructional programs.**
- **Fostering a scientific temper among students by the means of a liaison with the Academia, Industries and Government.**
- **Preparing students from diverse backgrounds to have aptitude for research and spirit of Professionalism.**
- **Inculcating in students a respect for fellow human beings and responsibility towards the society.**

Skill Enhancement Programs

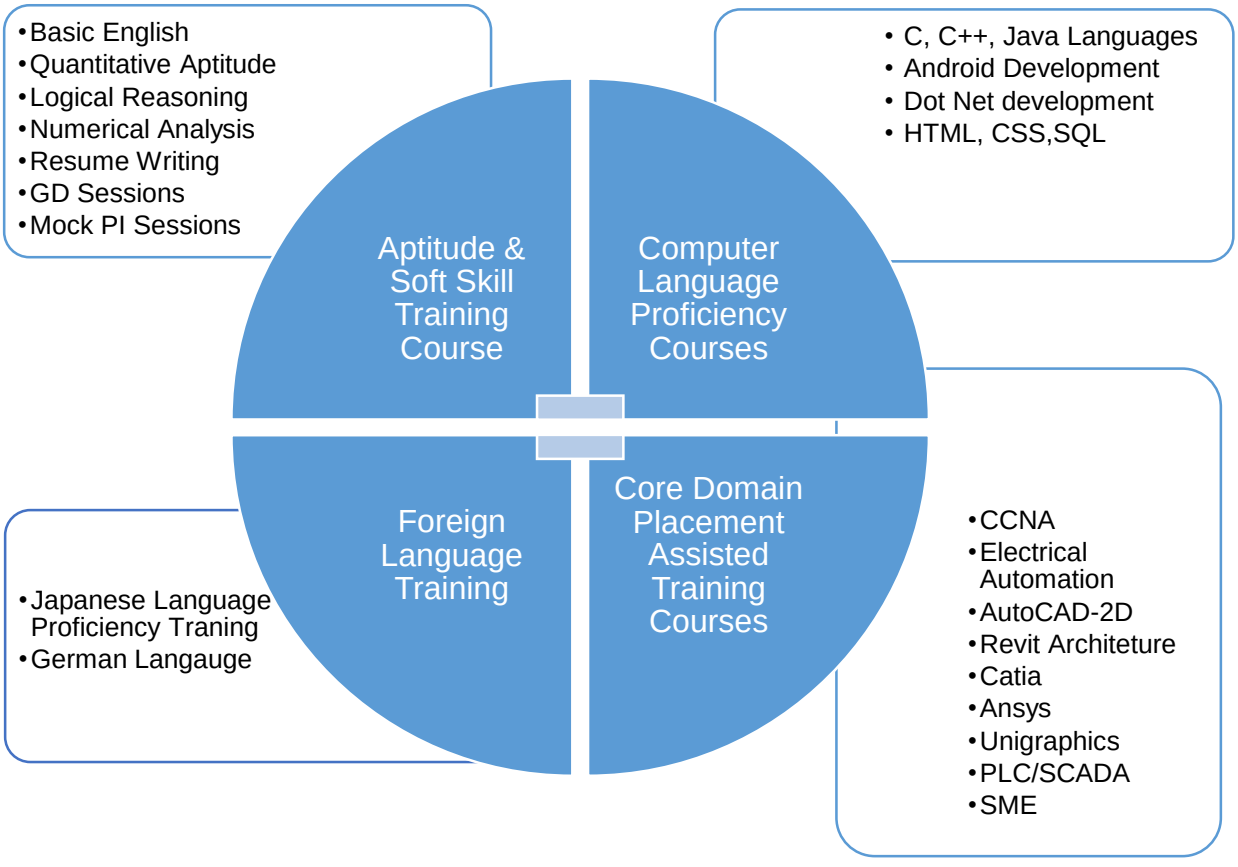
First Year Engineering
- Bridge Courses by FE Dept

Second Year Engineering
- Aptitude Training Start in First Semester
- Computer Languge Proficiency Training
- Foreign Language Proficiency Corse
- Alumni/ Guest/ Industry Person Interaction Sessions

Third Year Engineering
- Aptitutde Training
- Computer Language Proficiency
- Foreign Language Proficiency Course
- Core Domain placement Assisted Training Program Awareness Sessions
- Alumni/ Industry Expert Interaction Sessions
- Internship

Final Year Engineering
- Preparing for campus recrutment process
- Winter Trainning Courses
- Placement process upto Jul/August.
- Internships

Training & Skills Enhancement Programs



Training and Placement Highlights

- Highest package offered 19.14 **LPA**
- Avg. package offered **up to 4 LPA**
- **60 % placement in IT/ITES companies, 20 % placement in service/Non Tech companies and 20 % in Core/Domain specific** companies in last 3 Years Avg.
- Avg. Placement % of last 3 **years more than 75%** (Willing students / Total students) of all dept.
- More than **500+ companies visited in last 3 years** for placement and internship opportunities
- Highest stipend **offered for internship 25K per month** with Datametica Inc. Pune
- Avg. stipend offered for **internship up to 5K per month**
- More **than 100+ students trained** in Japanese and German language in last 3 years
- More **than 25+ certification** of students Institute and Goethe/JLPT level from the trained list in last 3 years
- Skills enhancement training program ESDP for campus placement partially funded by Institute which covers all soft skills, technical skills, mock test series, assessment, GD&PI, Resume building and mock interview preparation etc. **More than 1000+ students got benefitted via this program in last 2 years**
- Free CSR Training programs for all needy and eligible students from companies like Atos, Barclays, Wipro Talent Next, Tata Strive, IBM Skills Build, DELL, Zensar ESD, Honeywell, Mahindra Pride, Paramatrix Technology, Tata Technology Engineer Ready etc. to make you industry ready - **20+ such programs executed for more than 2000+ students in last 3 years**
- **CodeChef / Coding Ninja– MoU with Coding platform** to bring the coding culture
- **Super Coder program by CodeQutioent** – Available free of cost to top performing students to get Dream or High packages
- **In house Industry Trained** faculty (Wipro, Zensar, TCS, Persistent) – Sessions for students to achieve the placement dream
- Tie up with DJSCoE and NMIMS-Mukesh Patel Mumbai for High packages opportunities for Top performing students in last year
- **200+ Virtual and Offline talk and mentoring sessions** by Alumni to guide and help you in last 3 years
- **More than 150+ talks by Industry personnel and HR Managers** guidance session for students for creating awareness about career and latest trends
- More **than 30+ MoUs signed** with different MNCS, industries/companies and training/skills enhancement partner for student's benefit and employability enhancement
- Off Placement support **–" College ke saath bhi , College ke baad bhi "** – even after pass out – Free training courses and placement support catered to the students those who not placed

- **Alumni Adjunct – Faculty and training sessions** – More than 120 + students benefitted free of cost
- Industry Based contests/Hackthons/Hackquest – TCS Codevita, Infosys HackwithInfy(HWI), KPIT sparkle, Virtuasa, Capagemini Tech events and many more contest guidance and hiring opportunity - **More than 50 Offered via contest based hiring in last 3 years.**

Batch 2024

❖ **<u>Student Employability Enhancement Activities:</u>**

- Zensar ESD – 100 (Comp + DS + ETC) - Trained on JAVA, SQL, Aptitude Softskill – Total 200 hrs.
- CodeChef – Free Programming and coding platform access – Foundation to Advance level.
- ESDP Program by Campus Credentials – Python track - Foundation to Advance level, Softskill and Aptitude.
- SuperCoder Program – 53 students (Comp-34, ETC- 12. DS- 5, Electrical-2) shortlisted for the program
- Wipro TalentNext Program – 275 students (Comp-155, DS – 55, ETC -45 Electrical-20).
- R3 program – Advance training on Java – 149
- R3 program – Training on Mern Stack – 95
- Japanese Training – 96 students
- German Training – 49 students.
- AUTOCAD Training for Civil Engineering -30 students.
- Persistence Salesforce Training Program-60 students.
- InfyTQ-Python Training Program-100 students.
- Minor in Computer Engineering Program-50 students.
- "Employability Skill Programme" conducted by Mahindra Pride Classroom, Naandi Foundation -85 (Girls Students)
- Barclays Softskill Training Program 2024 batch male only -260 students
- Talent Battle –Placement Pro Batch for RCPIT students -30 students
- Resume workshop session by CVDragon team-2024 batch-600+ students
- CQ Super Coder Program-2024 batch-23 students
- "SHE ARISE" Capgemini women empowerment training and placement program under CSR of Capgemini- 60+ students (Girls students)
- Bajaj Engineering Skills Training (BEST) Certification Program (6 month)-61 Students"
- Capgemini sponsored FSD Certification Program (6 month) -42 students

Batch 2025

❖ Student Employability Enhancement Activities:

- Aptitude test series for all branches students.
- Technical test series for all branches students.
- Technical Mock(Virtual) interview scheduled for all students by Campus Credentials trainers.
- Technical Mock (Virtual) interview scheduled for all students by Campus Credentials trainers.
- Technical Mock interview scheduled for all students by industry experts.
- FSD Certification Program & Machine Learning Program by Symbiosis Skill University 335 students.

Campus Placement Yearwise

SN	Branch	No. of Students Placed						
		2017-18	2018-19	2019-20	2020-21	2021-22	2022-23	2023-24

INDUSTRY- INSTITUTE INTERACTION CELL

Preface

- For quality enhancement of Engineering Education & to meet the needs of the Industry, Society and economy, technical education system should operate at optimum efficiency and should produce good quality engineers' who will deliver quality product to employers. To optimize the deployment of physical and human resources of Institutions and Industries in the pursuit of development of technical manpower & to enlist participation of industry in technical education programmes with a view to have better interaction between Industries and Institute, RCPIT has started Industry Institute Interaction Cell (IIIC).

Objectives

- To Bridge the gap between Industry and Academic Practices.
- To Share the Experience and Expertise Between Institutions and Industry for Mutual Benefit.
- To organize various Workshops, Training Programs with Joint Participation of The Faculty and The Industries.
- To Encourage Engineers from Industry to Visit Engineering Institution to Deliver Lectures & Expert Talks
- To Nurture & Develop Good Work Culture & Environment in Students.
- To foster Research Work and develop Laboratories, Discussions and Delivering Lectures on Industrial Practices, Trends and Experiences.

To promote Industry - Institute Interaction following schemes are being undertaken

- Establishment of the Industry Institute Interaction Cell (IIIC)
- Organizing Workshops & Training Programs with joint participation of the faculty and the industries.
- Memoranda of Understanding (MOU) between the Institute and Industries to bring the two sides emotionally and strategically closer.
- Projects based work in industries under joint guidance of the faculty and experts from industry.
- Industrial Training & Internship for Students
- Arranging visits of staff members and Students to various Industries.
- Visits of industry executives and practicing engineers to the Institute for seeing research work and laboratories, discussions and delivering lectures on industrial practices, trends and experiences.
- Projects Sponsorship for students
- Encouraging engineers from industry to visit Engineering Institution to deliver Guest Lectures & Workshops.
- Placement Program
- Student Career Counselling and Guidance
- Alumni Interaction
- Joint Research & Development activities and field studies by faculty and people from industries.
