Free Access to Global Competitive Coding via CodeChef

2819 RCPITians Benefited

2283 (81%) RCPITians with ★ Rating!

RCPIT is the **First** to offer **FREE** access to the Global Competitive Coding Platform- **CodeChef**, empowering students to master programming, sharpen problem-solving skills, and actively participating in national and global coding challenges throughout their **Engineering journey** (First to Final Year). This initiative significantly boosts technical confidence, global competitiveness, and opens doors to top-tier placement and career opportunities in the AI and IT industry.

Empowering Global Borders: Multilingual. Multinational. Mastered.

At RCPIT, *language is more than communication-it's a gateway to global opportunity*. Students gain certification in **English, Japanese, and German**, enhancing their employability in multinational companies and international markets. This multilingual edge empowers graduates to connect, compete, and collaborate on a worldwide stage.

INDUSTRY- INSTITUTE INTERACTION CELL

Preface

- ❖ For quality enhancement of Engineering Education & to meet the needs of the Industry, Society and economy, technical education system should operate at optimum efficiency and should produce good quality engineers' who will deliver quality product to employers. To optimize the deployment of physical and human resources of Institutions and Industries in the pursuit of development of technical manpower & to enlist participation of industry in technical education programmes with a view to have better interaction between Industries and Institute, RCPIT has started Industry Institute Interaction Cell (IIIC).

Objectives

- ❖ To Bridge the gap between Industry and Academic Practices.
- ❖ To Share the Experience and Expertise Between Institutions and Industry for Mutual Benefit.
- ❖ To organize various Workshops, Training Programs with Joint Participation of The Faculty and The Industries.
- ❖ To Encourage Engineers from Industry to Visit Engineering Institution to Deliver Lectures & Expert Talks.
- ❖ To Nurture & Develop Good Work Culture & Environment in Students.
- ❖ To foster Research Work and develop Laboratories, Discussions and Delivering Lectures on Industrial Practices, Trends and Experiences.

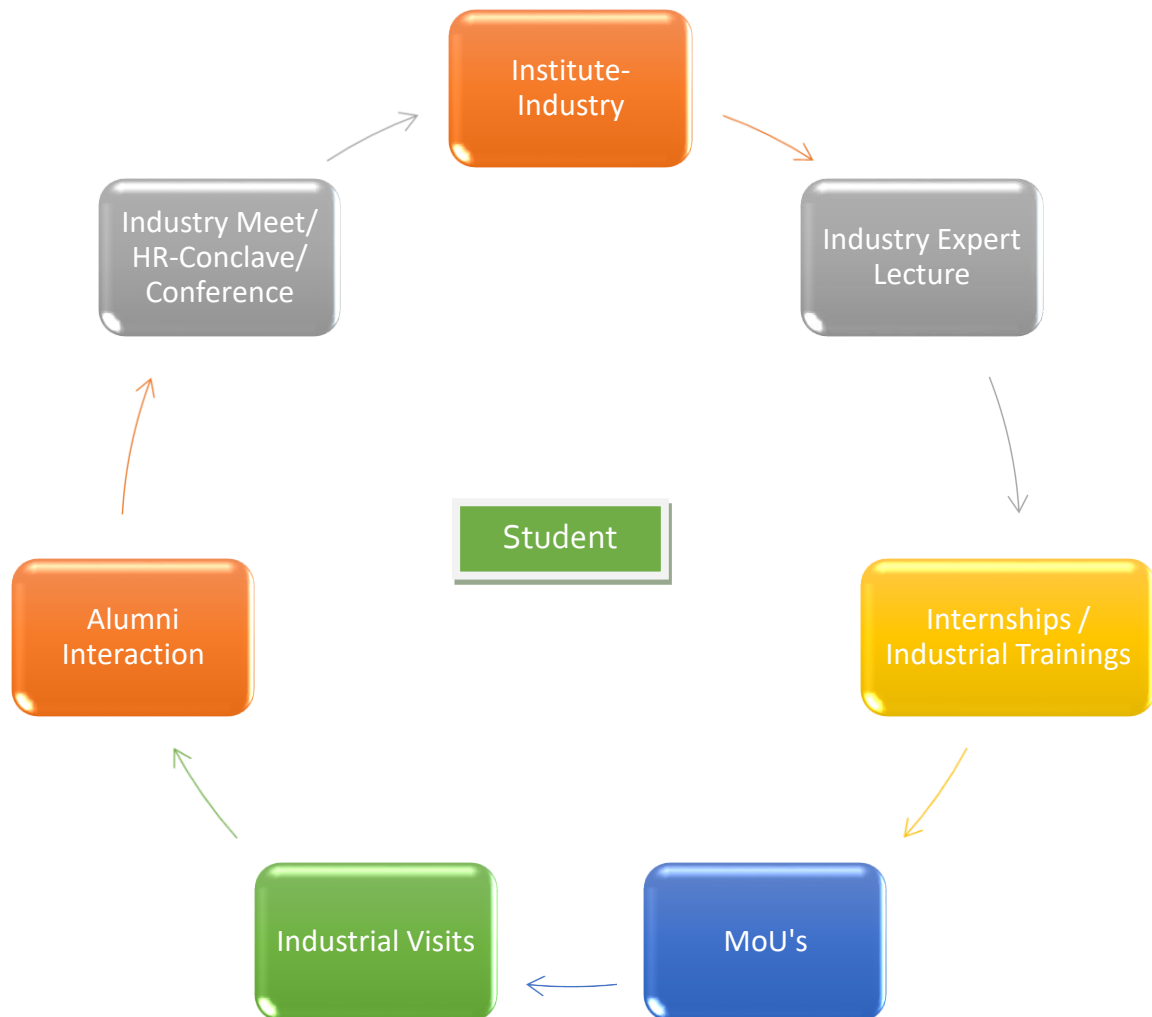

To promote Industry - Institute Interaction following schemes are being undertaken

- ❖ Establishment of the Industry Institute Interaction Cell (IIIC)
- ❖ Organizing Workshops & Training Programs with joint participation of the faculty and the industries.
- ❖ Memoranda of Understanding (MOU) between the Institute and Industries to bring the two sides emotionally and strategically closer.
- ❖ Projects based work in industries under joint guidance of the faculty and experts from industry.
- ❖ Industrial Training & Internship for Students.
- ❖ Arranging visits of staff members and Students to various Industries.
- ❖ Visits of industry executives and practicing engineers to the Institute for seeing research work and laboratories, discussions and delivering lectures on industrial practices, trends and experiences.
- ❖ Projects Sponsorship for students.
- ❖ Encouraging engineers from industry to visit Engineering Institution to deliver Guest Lectures & Workshops.
- ❖ Placement Program.
- ❖ Student Career Counselling and Guidance.
- ❖ Alumni Interaction.
- ❖ Joint Research & Development activities and field studies by faculty and people from industries.
