About RCPIT

R. C. Patel Institute of Technology, Shirpur is driven by vision and defined by results, standing as more than an Autonomous NAAC Grade 'A' institution. It excels as a way of life, supported by advanced infrastructure, an industry-aligned curriculum, and a strong placement ecosystem that transforms aspirations into achievements. Guided by expert faculty, global collaborations, and an innovation-driven learning environment, RCPIT fosters research, creativity, and continuous growth. Its holistic approach—blending academic excellence, skill development, and global exposure—shapes students into confident, ethical, and future-ready professionals. At RCPIT, education goes beyond a degree; it becomes a pathway to opportunity, achievement, and lifelong success.

Why Choose RCPIT, Shirpur?

Academic Excellence

- Autonomous: A **NEP-aligned, industry-driven curriculum**
- Computer-based & Industry oriented **Honors specialization** for all branches.
- **Choice-Based Credit System (CBCS)** with multidisciplinary electives and open courses
- Continuous evaluation with **flexible academic progression pathways**
- Credit-based re-examination system ensuring **academic continuity**

Global & Collaborative Learning

- Foreign language training in **English, Japanese, and German**
- Academic collaborations: **NMIMS University** and **D. J. Sanghvi College of Engineering, Mumbai**
- **IIT Bombay Regional Centre** for virtual labs

Digital & Smart Learning Ecosystem

- **ERP-enabled academic system** for real-time tracking of attendance, performance, and feedback
- **Learning Management System (LMS)**: access to study materials, assignments, and assessments
- **NPTEL/SWAYAM/MOOCs** digital certifications in domain & emerging area.

Financial Support & Accessibility

- **FREE education for Girls**
- Government scholarships for **Category, EBC, and Minority students**
- Financial assistance through NGOs and support programs
- Flexible fee payment options for needy students
- **Earn While You Learn** opportunities through internships

Industry Integration & Career Readiness

- **Six-month internship program** with strong industry collaboration
- State-of-the-art laboratories supporting **hands-on, project-based learning**
- Robust placement ecosystem with focused **career preparation** and **Pre-placement Offers**

Innovation & Skill Development

- Dedicated **Innovation & Incubation Cell** fostering entrepreneurship and startups.
- Active **technical and social clubs** promoting innovation and community engagement
- **Employability Skill Development Programs (ESDP)**: Communication & technical skills, coding, aptitude, and placement readiness

Student Support & Network

- **Local Guardian: Faculty as Mentor** for students' personalized academic and guidance
- Higher Education Support for **GATE, GRE, CAT preparation**
- Dedicated alumni platform with a network of **10,000+ professionals** offering mentorship and career opportunities
