For the first time Accenture has conducted campus recruitment for the college in North Maharashtra University region. Accenture has also conducted training for the selected students in the college itself. All the trainers were from Accenture. Thus these selected students have now completed their initial training in the college itself and will be the first to join company directly on the project on the very next day of their final examination.

Such type of in-house training is provided by Accenture to only few reputed colleges in India and RCPIT happens to be one among them.

KPIT Selected Students with Mr. Rajendra Kango (Sr. HRM, KPIT Cummins), Mr. Swapnil (Sr. Consultant), Mr. Hrishikesh (HRM), Prof. Dr. J. B. Patil (Principal, RCPIT), Mr. Yogesh Patil (Head, T&P, RCPIT), Mr. Shivaji Methe (Head, T&P, NMIMS), Mr. Narendra Sonawane (T&P, NMIMS)

This campus was a pool drive in which all colleges from the North Maharashtra University had participated.

Wipro Technology has launched a mew Faculty Empowerment Program – Aarambh. This program is specially designed for faculty who has just started teaching career.

As a pilot training program Wipro Technology selected 14 Engineering colleges across India and RCPIT is one of them.

All the 16 participants completed their certification. Seeing the response and performance of RCPIT, Wipro has decided to sponsor next batch of 16 Faculties.
