SES

Paramatrix Technology Pool campus Drive:-

This drive was organized by 'Rishicool 'a training and placement company based in Mumbai

The drive was held at S.S.V.P.S. COE Dhule, Dist- Dhule. All colleges from Dhule, Shirpur & Shahada participated in the drive name such as;

➢ R. C. Patel Institute of Technology , Shirpur

➢ S.S.V.P.S. CEO , Dhule

➢ D. N. Patel COE, Shahada

➢ SES COE , Navalnagar

➢ Gangamai COE , Nagaon

The total participated students to this drive were around 180. The company was having % cutoff 50% throughout 10th, 12th & Engineering with no live KT. The selection process was followed as below;

➢ Aptitude Test (Online)

➢ Technical Test (Written)

➢ HR / PI round

Academic Report 2012-13

From our institute total 7 students participated in the drive;

1) Yadav Mahesh Kumar

2) Yadav Premprakash

3) Mahajan Gopal C

4) Mittal Tushar R

5) Bhamre Kalpesh S

6) Bhandarkar Rahul

7) Chaudhari Sushant

Only two students out of those shortlisted for the next round of the process i.e. for technical test and finally none of the students went till the final round of PI.

Objective & Benefits for participant of RCPIT Students:-

 ➢ Participated students got real time experience of Job Market
 ➢ Students came to know the requirement and eligibility requirement of IT industry for fresh graduate
 ➢ Job market condition overview to participant for this year 2012-13
 ➢ Participant did marketing of their self by handing over their resume at required company HR officials.

The above list of students participated for job fair but it was observed that major of companies looking out 2012 pass out students also few of the company asked to handover their resume and shown interest for 2013 pass out like Sea Link Pvt Ltd. etc. This job fair provide platform to fresher & experience students to interact and showcase them to company HR official though from this job fair students not got any placement opportunity but overall it was valuable experience for participants.

MZOS off Campus Drive:-

This drive was organized by Matrix Zero One Systems Pvt Ltd; A IT training company based in Pune. The company has asked to students to register online on their site after that those who registered will get unique id and password so that students while appear for online test use the same.

Selection Process:-

Online Test (Mix of Aptitude and technical)

Technical round by MZOS

Technical round & HR round by direct company

We have some of students who registered online directly on MZOS site few of them cleared the online filtration test and asked to appear for technical round of test.

1) Khairnar Amol
2) Chaudhari Pavan

Finally these students were asked to appear for technical round of test in MZOS office Pune but unfortunately none of them got cleared and gone to next process.

Academic Report 2012-13

TRAINING/WORKSHOP/SEMINAR

SECTION

Soft Skills syllabus Teaching Methodology Workshop:-

We, at R. C. Patel Institute of Technology, Shirpur organized workshop on Soft Skills Teaching Methodology workshop on the university level (NMU, Jalgoan) Soft skills & English faculties of engineering colleges in NMU. The soft skills I & II was newly introduced from this academic year-2012 in the engineering curriculum in I & II semester. The speaker for this workshop was Mr. Prabhdeep Randhwa who is CEO of Innovation Unlimited a Soft Skills & Aptitude Development Training company based in Bangalore.

Total participants for the workshop were around 25 faculties from engineering colleges in NMU. The training kits along with participation certificate were issued to all.

⊞ Communication Skills Workshop for selected of TCS:-

This workshop was conducted by HR experts of TCS for selected students of batch 2013. It was attended by 25 students of all from R. C. Patel and SSVPS College. It was very interactive and fruitful session for students.

The objective behind this workshop was to prepare candidates' skill sets on communication part and work on the areas where he/she is lacking. Another way this was their first step towards the TCS training program.

Seminar on "How to score more at Interview "for BE students by CMC Ltd:-

This seminar was organized for all final year students of Comp / IT / E&TC & Mechanical students. This was taken by experts from CMC Ltd (A Tata Enterprise) on part of soft skills and interview techniques. The major part covered during the seminar is as below;

 ➢ What does the Interviewer look in an Interviewee?

 ➢ How to Improve Body Language to score more?

 ➢ Tips for Preparation of Resume.

 ➢ Interview FAQs

Seminar on Investment Guide by ICAI and Ministry Corporate Affair of India:-

This seminar was held for all institute staff (Teaching & Non Teaching). This was conducted by speaking person from ICAI (Indian Charter Accountant Association). The objective behind this is creating awareness among the society about the investment option and tool. It was attended by almost all staff from all the departments.

This seminar took an overview on different tools of investment like Equity Market, Mutual Fund, Insurance, Fixed Deposits, Recurring Deposits, and PPF etc. This seminar helped staff to plan their financial goal.

Wipro Unified Technology Learning Platform Seminar:-

This presentation meant for the UTLP kits introduction and benefits of this project lab to institute. It was presented by Ms. Shaila Hole (Academic Relationship Manager at Wipro Technology for West Zone). This seminar and presentation is especially for SE & TE students of Comp / IT and E&TC branch.

All students from SE / TE were present for this introductory seminar of UTLP projects wherein students got shortlisted on the basis of their technical skills and academic performance.

Also the seminar on goal setting and self awareness was presented by speaker.

SES

Aptitude Development & Soft Skills Training:-

This is training course started from second year of engineering and ends till first semester of final year of engineering. The objective this training programme is make students ready for campus placement programme by enhancing and polishing his technical and soft skill.

This training is focus on following areas;

- Aptitude (arithmetic , logical reasoning)
- Communication skill
- Interview technique
- English (Written & Spoken)
- Presentation skill
- Technical skills
- Corporate Behavior

Sr No	Course Name	No. of Students	Duration and Date	Fees in Market	Fees in RCPIT
1.	Aptitude Course	516 – SE 2nd Sem to BE 1st Sem	112 hrs + 16 hrs recap session	Rs. Approx Rs. 3000/- per student	Rs. 1500/- Per student

The students were doing this course in their regular teaching semester where in every week 4hr sessions were imparted to each batch. This course made students ready for campus placement season.
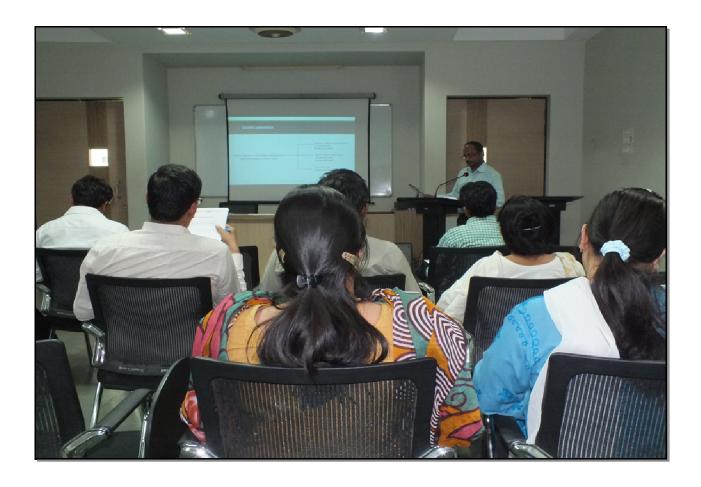

Master of Technology Management syllabus design Workshop:-

This workshop was organized at university level in R. C. Patel Institute of Technology. The objective of this workshop was to design course curriculum for Master of Technology Management (MTM) syllabus. All participants invited were from Management colleges in NMU asked to provide their input in designing the course. The MTM is integrated 5 and ½ year course of Engineering and MBA going to be introduced from academic year 2013-14.

Dignitaries for the workshop were Hon'ble Principal Dr. J.B. Patil and Hon'ble vice Principal Dr. P. J. Deore. The all participants were awarded with a certificate of participation. This workshop was successfully organized by T&P Dept of the institute.

There were 10 participants from 5 colleges including RCPIT. Below were colleges from which faculties participated.

- ➤ S.S.V.P.S.COE , Dhule

- ➤ S.S.B.T.COE , Jalgoan

- ➤ S.G.D.COE, Jalgaon

- ➤ K.C.E. COE , Jalgoan

FUNCTION / EVENT /CONFERENCE

SECTION

Campus Commune for 2014 batch :-

This is nothing but a professional networking platform for campus students all across India. It is a place where students can share, connect & collaborate with all campus students and post their problems get them solved even. They can participate in the contest organized by TCS. This launching was done by campus relationship managers Mrs. Ketaki Pedgaonkar & Mr. Ankur Sinha.

Campus Commune helped students connect, share and explore. It helped them get their queries addressed, learn, express their opinions, share their experience with others, interact with associates and feel the pulse of the company. This acted as a launch pad to enable students to take off comfortably and plan for a smooth landing when they join TCS.

Training and Placement Officers (TPO) of Institutes were invited to play the role of facilitators within the framework of Campus Commune. TPO's were able to view the content pertaining to Campus Commune Home Page and the content posted by the students of their respective institutes within the Institute's community page. These TPOs had direct access to view student's participation and the quality of content available on the portal.

Wipro MTLC (Mission 10X Technology Learning Center) inauguration :-

The Wipro Technology is associated with R. C. Patel Institute of Technology for more than years in terms of their development program for faculty Mission 10x and Aarambh. We RCPIT are proud to say that we were the one of MTLC authorized training centers for Wipro Technology. The Wipro TLC applies to training platform for SE & TE students of Comp / IT and E&TC branches.

The objective of this MTLC ULTP platform is bridge the gap between and Industry and Institute.

BENEFITS OF MISSION10X TECHNOLOGY LEARNING CENTER (MTLC):-

➢ Following are the some of the benefits of MTLC

➢ Reduction of the technology gap between industry and academia by adopting innovative Teaching/Learning platforms

➢ Curriculum development based on industry relevant technologies

➢ The Mission10X Technology Learning Centre becomes the nodal Technology Centre for all UTLP initiatives from Mission10X around our Institute

- Students will be able to implement industry relevant projects at the institute (Internship at the institute). This experience makes students' industry ready.
- Encouragement to entrepreneurship among students to develop next generation products
- Availability of Innovative Resource Guides to administer laboratories in a structured way to enhance student learning. These resource guides have Pedagogy and instructional design methodologies as their backbone
- Easy access to technology by open source (Linux) operating system usage
- All the new developments on UTLP which include Tutorials, Resource Guides, Source code of Experiments, source code of Projects completed, Project frameworks will be available on UTLP page in the Mission10X portal.
- An UTLP page in the Mission10X portal supports discussion forums which encourage community based learning
- Extending opportunity for your faculty and students to showcase technological innovations in Mission10X events.

National Conference on Employability conclave for Training & Placement Officers :-

It was attended by TPO of RCPIT. It was led by speakers from industry like Bharat Forge, Zensar Technologies etc. The focus of this meet was to bridge the gap between institute and industry. This conference was held in Pune and organized by Aspiring Minds and D&B Ltd.

- ➢ This conference helped all TPO's to understand the gap between industry requirement and institute input.

- ➢ It also benefited to all participants to create and build their network with all TPOs of Maharashtra.

- ➢ Communication and Soft skills sessions kept for all participants.

Industry – Interaction Meet for TPOs at PCCOE , Pune:-

This was organized by PCCOE, Pune for all TPOs in Maharashtra and industry experts from KPIT, Persistent systems, Zensar Technologies & TCS etc., discussed and presented below points in meet.

➢ Impact of current economic scenario on campus recruitment in 2012-13

➢ Expectations of Industry from institutes : How can the institutes groom the students to meet industry expectations

➢ Exposure to TPOs about various verticals in the industry

➢ Career graph of graduate engineer in Industry

➢ Expectations of Institutes from Industry

➢ The role of TPOs in bridging the gap between industry & institutes

➢ Role of HR managers in bridging the gap between industry & institutes

➢ Panel Discussion

Eye Donation Campaign 'A Social Cause at RCPIT':-

This campaign was conducted by Mr. Kailas GIrace who is a senior software engineer in Hexaware Technologies; Mumbai and he is also working for this NGO as social part. This workshop was supported by T&P Dept and NGOs got very good response through distribution of hundreds of registration forms. This news was also covered in Marathi news channel **'Z 24 Taas '**. The name of NGO is Sadguru Mangeshda Kriya Yoga Foundation, based in Mumbai.

SES

Wipro Earthian Project Competition for Students:-

The vision of this program is rooted in the challenging the task that humanity faces in understanding first and trying to find answers to several sustainability issues such as climate change, water scarcity, rapid urbanization and biodiversity loss. The fact that we will have to continually engage with these challenges will require exceptional caliber of leadership from our future generation. Educational institutions have a key role to play in this.

In this top ten schools or colleges, one will be selected from all across participation & entries. Our institute is also participating in eating project competition. It starts with students need select the scenario of their choice which is challenging to humanity to face. After that group of students need to submit their entry in the suggested format. Below were the lists of participants from our institute.

Groups	Name of Candidate	Branch /Div	Topic
	Pranali Khewalkar	3rd comp	Waste Management
Group No.1	Anamika Tekriwal	3rd comp	
	Rasika Mhamunkar	3rd E&TC	
	Supriya Kuwar	3rd comp	
Group No.2	Amish Tayal	2nd comp	Adulteration Vs Nutrition
	Amtulla Bohari	2nd comp

Group No.3	Pardeshi Jagruti	3rd comp	Green House gas sink for motor exhaust
	Swapnil Nandane	3rd comp	
	Patil Ashwini	3rd comp	
	Shinde Neha	3rd comp	

Herewith is enclosed the details of Earthian Project and Certificate participation to TPO as guide for participant.

SES

Academic Report 2012-13

EXTRA CURRICULAR ACTIVITY BY

T&P DEPT

Objective test conducted for WIPRO MTLC project short listing of Candidate:-

Becoming Wipro MTLC authorized center Wipro technology has asked us to enroll our SE & TE students for this project center lab. It was very difficult to filter the students of SE & TE (Comp/IT/E&TC). T&P Dept designed objective test for both year students with the help of Prof. Pattewar, Prof. Haswani & Prof. Badgujar as these faculties were the one who is taking care of this Wipro MTLC Lab in the institute.

The test to contain was C/C++, Linux, Microprocessor, Microcontroller and Basic of Digital Electronics. Total time duration of the test was 45 min of 30 objective questions. We have received very huge response from total participated students which includes 458 SE & TE (Comp / IT / E&TC). We have shortlisted 160 students out of this to finally enroll in this lab. The filtration was done on the basis of their academic performance & Test score.

Accordingly groups were formed across the student's mix of SE and TE with branches interconnected. We have 12 faculties who will train these 160 students without affecting their regular academic schedule. Herewith attached is a list of students enrolled in the MTLC lab with their guides.

➢ All enrolled students will get practical hands on UTLP Kits.

➢ Each group will have to perform and submit the mini & major project as required by Wipro Technology.

➢ Students those are satisfying the academic criteria and performing in MLTC will be absorbed by Wipro Technologies in final year through the campus placement process.

Agreement with TCS ion as Test Centre for their Client online examination:-

We R. C. Patel Institute of Technology, Shirpur is associated with TCS ion of the business unit for Tata Consultancy Services (TCS) who is managing the online competitive examinations for their client like LIC, IBPS etc. The TCS ion was signed agreement with us as for Local Infrastructure Service Provider (LISP) where they will use our infrastructure like Systems with LAN, Labs, Stationary, Manpower, Diesel generator, Printer etc. This table provides details of commercial agreed for infrastructure usage.This initiative was taken by T&P dept. and below are the benefits for College & Management.

- ➢ The college is earning handsome amount of revenue

- ➢ College is getting promoted all across Maharashtra because the candidates who are coming and appearing for an exam is located from different parts of Maharashtra.

- ➢ Teaching & Non teaching staff get a handsome amount of remuneration.

- ➢ College resources are utilized up to maximum level.

After this agreement, we have conducted such kind of online examination 3 times. It was executed and organized by T&P dept. in all fronts. Table below will provide necessary details.

Academic Report 2012-13

Date	Name of Examination	Gross Amount	Net amount
9th Dec 2012	DES Exam	21450	10000
2nd Feb 2013	LIC ADO Exam	15720	8793
10/11th May 2013	LIC AAO Exam		
		101900	45600
17/18th May 2013	LIC AAO Exam		

The Net Amount is actually earning to institute after deducting the TDS amount, Staff remuneration, and other Misc expenses like staff refreshment and lunch for the guests who come for conducting and monitoring the examination.

RCPIT Blog Development: - (rcpit. blogspot. in)

Who will use this?

➢ RCPIT students
➢ Alumni
➢ RCPIT staff

### Who will manage this?

➢ T&P coordinators of RCPIT college

Objective:-

- ➢ Professional platform for RCPIT students and alumni.
- ➢ A place for sharing thoughts, ideas, experience, etc.
- ➢ Platform for students to connect with alumni
- ➢ Alumni connect with college through this platform
- ➢ Student can get knowledge through their peers , colleagues & seniors
- ➢ Common place for information & Knowledge sharing
- ➢ Connect with colleges throughout the life

Benefits:-

- ➢ Students will find a place for interaction with their Seniors & Alumni
- ➢ All queries, problem will solve through comment and post.

- It will help for college branding and advertising
- All news related to placement, training courses, the current update of industry will be shared through alumni
- It will help to create database all college students and alumni at one place.
- It will help T&P dept to gather information about companies for campus placement through alumni
- Visibility for college will increase among students and also help in Admission increase
- Students/Alumni can create their friend network very strong.
