CAMPUS PLACEMENT  
SECTION  
(ON CAMPUS)

### **Persistent Systems Campus Drive –**

This campus drive was held on 23<sup>rd</sup> July 2013 in RCPIT campus. This was Pool campus drive for Nasik region colleges & RCPIT was the only institute who took part in this pool campus drive from North Maharashtra University. Persistent conducted this drive only for 2015 batch final year students of Computer & Information Technology streams and MCA 2015 pass out as Internship Opportunity. The total number of students appeared for this pool campus drive was 225 as per their eligibility criteria. The eligible students from RCPIT were 61 & final selected students were 3 out of total selected from this pool campus. Persistent offered pay package of 3.58 Lac per annum to selected candidates.

1. **Ashish Bagul - Comp**
2. **Pranav Salunkhe – Comp**
3. **Nayan Zavar - MCA**

**Selected students with Hon'ble Director of SES & Principal sir**

### **TCS Campus Drive –**

This campus drive was held on 13<sup>th</sup> & 14<sup>th</sup> Oct 2013 in K.K.Wagh COE, Nasik. This drive was only for TCS accredited colleges. This was pool campus drive for altogether 4 colleges & there were 550 eligible students appeared for this campus drive. TCS conducted online test based on Aptitude for all eligible students & top 5 students stream wise were excluded from this test we have such 20 direct students ( Topper of institute ) went for verbal ability test. After this there was technical round, Management round & finally PI round of interview. During this 2 days process TCS finally took 32 students from this pool campus & 6 out of this from RCPIT, Shirpur.

- 1. Amisha Tayal – Comp**
- 2. Mayuri Jain – Comp**
- 3. Kajal Patel – Comp**
- 4. Swati Wagh – E&TC**
- 5. Nirali Kukreja – E&TC**
- 6. Chaitali Mahajan – E&TC**

**TCS Selected students with TCS Talent Acquisition Team, Pune**

**Selected students with Hon'ble SES Director & Principal Sir**

### **Tudip Technology Campus Drive –**

This campus drive was held in RCPIT campus on 9<sup>th</sup> Nov 2014 for Computer/IT streams & MCA students. This company is deals into IT & ITES sector located in Pune. This campus drive was exclusively for RCPIT students. The great news about this campus alumni from RCPIT were part of interview panel & company official. This was pool campus for 2015 batch & 2014 batch. Tudip conducted written technical test based on language skill & then followed by technical round. Finally 2 students got selected from this campus with pay package of 1.80lpa

- 1. Ayushi Goyal – Comp - RCPIT**
- 2. Unnati Shinkar – Comp – SSVPS**

**Tudip recruitment process at RCPIT**

**Selected students with Team of Tudip Technology, Pune**

### **Softenger India Pvt Ltd Campus Drive –**

Softenger India conducted pool campus drive for 2014 & 2015 batch all streams in RCPIT campus on 13<sup>th</sup> Nov 2014. This pune based company works in IT Development & Infrastructure services & Management. There were around 180 students of 2015 batch from RCPIT; SSVPS & IMRD colleges appeared for the process. They conducted online aptitude test & then followed by GD & PI round. Softenger India is visited first time in North Maharashtra region for campus recruitment process. This pune based company is closely associated with IBM as their outsourcing partner. The recruitment process is carried out for both 2014 & 2015 batch simultaneously for 1 day. Total

participated students were 260. Finally they took 5 students from this recruitment drive out of which 3 from 2015 batch & all from RCPIT campus and 2 from 2014 batch & from Nasik region colleges with package of 1.80lpa. In this whole process 2 students from RCPIT campus kept on HOLD remark & they will confirm final decision till Dec 2014 end on their selection.

1. Piyush Chaudhari – Mech
2. Komal Jade – Comp
3. Poonam Wagh – Comp
4. Daksha Patil – HOLD – Comp
5. Hiral Gujarathi – HOLD – Comp

**Selected students with Team of Softenger India, Pune**

### **Honda Motors & Scooters India Pvt Ltd Campus Drive –**

Honda Motors & Scooters India Pvt Ltd (HMSI), Delhi NCR first time in history conducted Pool campus recruitment for North Maharashtra, Jalgaon region. Honda invited only 2015 Batch Mechanical Fresh Engineering Graduate for this recruitment drive. There were 15-18 participating colleges all across NMU for this pool drive. This drive was held on 13<sup>th</sup> Nov 2014 in NMU campus at Jalgaon. The team Honda came from Delhi NCR office for this recruitment process. There were around 350 eligible students participated in this drive. Firstly they conducted written technical test based on core technical knowledge & some part of Aptitude & this round was biggest elimination round followed by GD round for 34 shortlisted students in 1<sup>st</sup> round. In the GD round they only took 12 students in final PI round. In these final 12 students appearing for PI round out of which 3 students were from RCPIT shirpur campus & total eligible participated students were 60. ### **Bitwise Campus Drive –**

Bitwise campus held at Sandip Foundation, Nasik – 18<sup>th</sup> April 2015

### **Nitor Campus Drive –**

Nitor campus drive held at Devgiri College of Engineering, Auragabad – 21<sup>st</sup> March 2015

# TRAINING PROGRAMME

### **Aptitude Development & Soft Skills Training -**

This is training course started from second year of engineering and ends till first semester of final year of engineering. The objective this training programme is make students ready for campus placement programme by enhancing and polishing his technical and soft skill. This training is focus on following areas;

- Aptitude ( arithmetic , logical reasoning )
- Communication skill
- Interview technique
- English ( Written & Spoken )
- Presentation skill
- Technical skills
- Corporate Behavior
- Mock GD & PI

This training was conducted on 1<sup>st</sup> Sept to 8<sup>th</sup> Sept for TE & BE students in this semester of 2014-15. This course makes students ready for campus placement season. We have organizing this training module with the help out side training partner IU Training Services, Bangalore. This training is covered in 28hr module in 4th semester starting from 4<sup>th</sup> sem to 7<sup>th</sup> sem i.e. 112 hrs and then supported by 16 hrs recap programme as per campus placement & recruitment drives. All trainers were very experienced & industry exposed. During this semester there were around 300 students from BE & 350 students from TE participated. This semester in Jan to May 2015 we have also added FE students with some outside training agencies Employability Development plan.

### **Technical Development Training -**

This is training programme was majorly focused technical training of basic languages of C & CPP training to SE to BE interested students. We have encouraged all stream students from SE especially to enroll for this programme so that they will be well versed with technical skill sets of languages & apply for the job opportunities of IT sector once in final year. We hired outside professional to take this session which usually conducted on weekend so that regular academics not got disturbed. We have enrolled total 150 + students from SE to BE. This training session was conducted during the period of March to Mid April 2015. This would be the paid training programme only interested students enrolled for this training.

**Profession trainer taking session with students on C & CPP**

### **Technical Training on Networking CCNA -**

This training programme was conducted specially for E&TC students of Final year 2015 batch. This networking training was organized by SEED InfoTech, Pune after signing MOU with us. This programme was backed by Placement assistance by SEED with minimum 5 interview call & opportunities. There were 32 students from the dept enrolled for this after their own interest & willingness. Total programme fees were Rs 8000/- which need to be paid in 2 installments. Duration of training programme was 70 hrs & executed during last week of March to 1<sup>st</sup> of April'15

**SEED trainer taking session with students of E&TC dept**

SEMINAR / WORKSHOP /  
CONFERENCE

### **Industrial Automation Seminar –**

This seminar was conducted by TAACT, Nasik who are leading the Automation training & Placement Provider. These seminars were held in RCPIT campus for Third year students of E&TC and Mechanical. The speaker came for this seminar was Mr. Nilesh Salgaonkar who is director of TAACT. This seminar took overview on career opportunities in Automation sector and job opportunities. Total numbers of participated students were around 300. This seminar was arranged to understand the importance of Automation Engineering Programme for Mechanical, E&TC and Electrical engineer.

**Dignitaries during Automation seminar**

### **Seminar on Career Opportunities in Electronics Sector -**

This seminar was executed by Let's Win Globe Academy based in Aurangabad. The profile of person who guided & interacted with students was very impressive & his name

was Mr.Chandrashekhar Gampawar who is having global exposure & worked with many MNC like Videocon, LG & Samsung etc. The participants for this seminar were final year students of E&TC (2014-15) & there were around 130 students present for this seminar. He took through the various career opportunities in Electronics sector for fresh graduate & career option for them. This seminar was held on 5<sup>th</sup> Sept. 2014 in RCPIT campus.

### Seminar on Opportunities in IT sector -

This seminar was executed by representative of Profound Edutech Pvt Ltd, Pune. The core objective of seminar was to awareness among the students of SE & TE from stream of Non IT & IT about career scope & job opportunities in IT sector after acquiring some technical skills set which demanded by industry. This seminar was attended in around 200 students in different time slot which held on 24<sup>th</sup> Jan'15. The resource person name was Mr. Neeraj Ade from Profound Edutech Pvt Ltd.

### **Wipro's Mission 10X Engineering Faculty Workshop -**

As being Wipro's authorized Mission 10X center under this Wipro Technology, Bangalore had conducted Engineering Faculty Workshop at RCPIT for all department faculties. This workshop was held during the 2<sup>nd</sup> Feb to 4<sup>th</sup> Feb 2015 in RCPIT campus. The resource person was from Wipro Bangalore team named Mr. Joshi. The workshop's main objective was to guide & inspire the engineering faculties for their teaching learning process in institute. This 3 day workshop was full of activity & project based learning for staff. There were 30 faculties participated in this workshop 4-5 from each dept (E&TC/Comp/IT/Electrical/Mech/Applied science/Civil).

**Mr. Joshi from Wipro MTX guiding RCPIT faculty**

### **Wipro's Mission 10X Students Workshop –**

As being Wipro's authorized Mission 10X center under this Wipro Technology, Bangalore had conducted Students development workshop at RCPIT for each dept selected students. This workshop can be considered as bridging gap between Industry & Academia. There were 32 students participate in this 2 days programmed held on 5<sup>th</sup> to 6<sup>th</sup> Feb'15. The major agenda for the session was how to "Engineer should be globally competitive" with following points covered;

- Oral Presentation
- Written Communication
- Team work & Project management
- Attribute of Engineer

**Wipro's Mission 10X Students Workshop at RCPIT**

### **TPO's Conference in association with Lokmat Media & NMU college-**

It was Godavari College of Engineering who organized Training & Placement officer's conference in North Maharashtra region. Lokmat Media Pvt Ltd was the associate sponsor for the event. This meet was held on 18<sup>th</sup> Feb 2015. The core objective for this conference was to address the challenges & experience sharing on common platform. Few of major points discussed in the conference;

- TPO's approach & methodology while placing the students
- Key Challenges in the region to attract the industries & their solutions
- Innovative practices implemented by TPO's
- Importance of placement in admission point of view & support of College, Staff & Management of TPO.

**NMU TPO's conference at GDCOE , Jalgaon**

# ALUMNI INTERACTION PROGRAMME

### Alumni Interaction Programme -

Alumni interaction programme held on 2<sup>nd</sup> August 2014 with students of Final year streams. The alumni came in campus was Mr. Vimal Patel graduate of 2008 batch in E&TC stream who is currently working in Trendz Beauty Group (TBZ) as IT Manager in Los Angeles, USA and other alumni her name was Mrs. Anjali Kakkad of 2008 batch graduate in E&TC stream from RCPIT & she is currently working in Fox Studio as Sr. QA Engineer in USA. Both alumni guided & interacted with final year students. They share their practical experience with student & motivated them practical approach. Their major topic of discussion was Higher Studies in Aboard like MS though GRE, ILETS & TOFEL etc. They guided students with procedure for applying in abroad after graduation & inspired them for higher studies. This was very interactive & fruitful seminar for the students.

### **Alumni interaction programme at RCPIT**

#### **✚ Alumni Interaction session with HOD's & Principal -**

Alumni interaction session was held with Principal Dr. J.B.Patil, HOD's & TPO on 24<sup>th</sup> Jan 2015. This meet was planned as part of feedback from the alumni regarding overall development of students, policies for upcoming graduates, employability challenge of pass out students & strategy to solve this problem. There 6-7 alumna of Comp & IT department were part of this session. Their name as below with current status;

- Palak Agrawal – TCS
- Puja Agrawal – Acceture
- Hitesh Patil – L&T
- Uday Sonar- PTC
- Harshal Bagul – TCS

**Alumni's interaction with Principal, HOD's & TPO at RCPIT**

### **Alumni Guiding session with Students -**

We at R.C.Patel Institute used invite Alumni's for their guiding session & experience sharing session with the students. For this year we have many alumni's in campus out of which few of them shared their thoughts with students. We have Mr. Keyur Patel 2011 batch pass out from E&TC stream were in campus on 2<sup>nd</sup> March 2015. He had great time with students regarding his old memories with RCPIT. He motivated students with his experience & current industry trends. Keyur guided students on "Hybris Technology use in E-Commerce Platform" & opportunities for E&TC engineer in that field using Java Skills. He is currently working in Pragiti Inc, Mumbai with senior level position with good handsome package.

**Keyur Patel (2011\_ETC) Interaction with students**

**Vikas Kumar & Shravan Kumar (2012\_Comp) interaction**

HIGHER STUDIES GUIDANCE  
/EXPERT TALK/INDUSTRY  
INTERACTION

### **Higher Studies Guiding seminar -**

We at R.C.Patel Institute used invite expert for their guiding session & counseling session on Higher Studies in India & abroad. This time we have with Mr. Prashant Srivastava the eminent from Seneca University, Canada. This session was held at our campus on 21<sup>st</sup> Jan 2015. All students from Third Year & Final Year participated in this seminar kept in different time slot. The Mr. Srivastava from Seneca University guided students on different aspects of abroad study, Process for applying, Selection process & expected cost of living & accommodation etc. This was very interactive session with students & faculty. He also guided students on job opportunities in Canada & scope of learning in abroad.

### **Abroad studies Counseling session -**

We at R.C.Patel Institute had tie up & association with Step Ahead Consultancy based in Nasik. This agency deals in counseling program of graduate students for foreign studies & scholarship programme. This consultancy has also provided inputs on GRE / TOFEL / GMAT etc. There are many students of Final year at our institute shown interest for abroad studies. Following services provided by the Step Ahead;

- Career Counseling
- Course, Country & University Selection
- Admission Formalities
- Visa Guidance & Support
- Guidance for Education Loan
- Training for ILETS/TOFEL/GRE/German Language etc

### Persistent BE Project Programme -

Persistent Systems Ltd, Pune as part of their BE Project programme for final year students of Comp/IT was successfully done at our Institute. It was year 2013-14 when Persistent had conducted test third year students (Now in BE 2014-15) for BE project programme online their technical knowledge & aptitude. There were 27 eligible students participated in this test based on their eligibility criteria of 60% in academics with no gap in education. Out of 27 students there were 4 students got shortlisted for BE project programme. Then it was one year activity where in students been allotted with guide from Persistent, Pune who act as mentor for them. His name is Mr. Alok Thakur (Sr. Technical Team Lead) now after period time students been successfully completed their project & followed guidelines of the programme & they awarded with Certificate participation.

Name of students who were part of this programme are;

- Amol Bagal

- Daksha Patil
- Vaijayanti Patil
- Bohari Amtullah

March 20, 2015

To Whomsoever it May Concern

This is to certify that following students have completed their final year B.E. project naming "Android Application For video calling" at Persistent Systems Ltd. under the guidance of Mr. Alok Thakur for academic year 2014-15.

Name of Students:

- i. Bagal Amol Nilkanth
- ii. Patil Daksha Rajaram
- iii. Patil Vaijayanti Vishwanath
- iv. Bohari Amtulla Hakimuddin

For Persistent Systems Ltd.

Kaustubh Bhadbhade
