Vice President

Dr. J. B. Patil
Director, RCPIT, Shirpur

R. C. Patel Institute of Technology, Shirpur (RCPIT) is an autonomous, NAAC 'A' grade accredited institute affiliated with Dr. Babasaheb Ambedkar Technological University, Lonere, and industrially accredited by Tata Consultancy Services. Founded in 2001, RCPIT delivers NEP-aligned, industry-relevant education supported by cutting-edge infrastructure, IIT Bombay Virtual Labs, and a faculty where over 50% hold doctoral degrees. Students benefit from structured internships, hands-on projects, and a placement network spanning more than 150 recruiting companies. With international language training, startup incubation support, and 18% of alumni contributing globally, RCPIT consistently produces skilled, ethical, and industry-ready engineers.

Vision & Mission of RCPIT, Shirpur

Vision

To become a leading Institute in Technical education fostering innovation, research, ethical values, and sustainable development for the betterment of society.

Mission

To impart high quality Technical Education through:

M1: Innovative and Interactive learning process and high quality, globally recognized instructional programs.

M2: Fostering a collaborative scientific temper among students with ethical responsibility towards the society.

M3: Preparing students from diverse backgrounds to have aptitude for employment, entrepreneurship and research with a spirit of professionalism.

M4: To contribute to the nation's sustainable development.

Message from Training and Placement Officer

It gives me immense pleasure to welcome esteemed recruiters to R. C. Patel Institute of Technology for the Placement Season 2026–27.

At RCPIT, we are committed to developing technically competent, innovative, and industry-ready professionals through quality education, practical learning, and continuous skill enhancement. Our academic environment combines strong theoretical foundations with hands-on exposure through internships, projects, workshops, certifications, and industry interactions. The Training and Placement Office actively works to bridge the gap between academia and industry by organizing recruitment drives, industrial visits, expert sessions, and career development programs. These initiatives help students understand industry expectations and prepare themselves for professional challenges.

Our students have consistently demonstrated excellence across various sectors including Information Technology, Core Engineering, Manufacturing, Automation, and Emerging Technologies. Their adaptability, technical knowledge, and professional attitude have earned the confidence of reputed recruiters.

We sincerely thank all our industry partners for their continuous support and trust in our students. We look forward to strengthening our association and providing your organization with talented and dedicated professionals.

We warmly invite your esteemed organization to visit our campus and be a part of our recruitment journey.

Mr. Milkesh Jain

tandp@rcpit.ac.in

“Our mission is to guide every student toward meaningful careers that foster long-term growth and success.”

Beyond Academics – Prepare. Perform. Prosper.

Bridging Gaps – Academia. Alumni. Industry.

Why We Go to Them

Industry visits are not a formality. When our faculty walks into a company, sits with their HR or technical team, and asks "what are you actually looking for in a fresher?" – the answer is rarely what a syllabus assumes.

These visits happened across Pune, Ranjangaon, Pimpri-Chinchwad and beyond. Zensar Learning Academy, Haier, Indovance, Winjit, InfraBeat, Nebula – different sectors, different scales, different expectations. Each visit fed back into how we prepare students.

Alumni are part of the same loop. They know our students. They also know what their companies need. That combination is hard to find and easy to waste. We try not to waste it.

The gap between campus and workplace is real. These meetings are how we keep measuring it.
