

Activity Name:	Unstop Igniters Club Inauguration & CTRL + AI Session
Date of Activity:	6 – NOV – 2025
Time of Activity:	4 pm – 6 pm
Activity Details:	Inauguration of Club & CTRL + AI Session The Igniters Club of the Department of Computer Engineering, RCPIT, is a student-driven initiative that aims to bridge the gap between academic learning and real-world opportunities. The club encourages students to learn modern tools, apply their knowledge in hackathons and innovation challenges, and showcase their achievements on national platforms. The Inauguration of Igniters Club was successfully conducted on 6th November 2025, from 4:00 to 6:00 PM in the Seminar Hall. The event was organized under the guidance of Prof. Dr. J. B. Patil (Director, RCPIT) and Prof. Dr. R. B. Wagh (Head, Computer Engineering Department), with support from faculty coordinators and student volunteers. The audience consisted of First-Year (Freshers) students from the Computer Engineering Department. Event Outcome: The event received an excellent response from the students. Freshers actively participated in the interactive sessions and showed great enthusiasm to explore platforms like Unstop. They gained awareness about national-level competitions, learned to enhance their online profiles, and understood how to apply their academic knowledge to real-world challenges. Overall, the event successfully motivated students to think innovatively, build professional skills, and represent RCPIT at larger platforms.
