Activity Detail :	Date: 6th October 2025 Time: 2:00 PM to 4:00 PM Venue: College Auditorium Hall On 6th October 2025, the Glitchverse Club was inaugurated in the college auditorium from 2 PM to 4 PM. A special session was organized by the Glitchverse Club on the topic "Roadmap to Becoming a Game Developer", conducted by an expert in the field. The event began with a brief introduction of the club by the club head, who explained the club's vision, goals, and upcoming activities to the faculty members and students. The inauguration ceremony was officially done by the ribbon cutting, performed by Deputy Director Dr. P. J. Deore Sir. The event was attended by faculty members including, Dr. R. B. Wagh Sir (HOD of Computer Engineering Department), Mentor Dr. S. M. Pardeshi Sir, Pallavi Agrawal Mam and other faculty members. The club mainly consists of first-year students who had registered through a Google form. A total of 105 students attended the event. After the inauguration, a special session on game development was conducted by expert Mr. Rahul Patil Sir (Engineering manager in Helpshift- Keywords Studio). He explained key concepts of game development and shared practical knowledge with the students throughout the session. The session was well received, and students showed great interest and participation throughout. The entire event was successfully held in the college auditorium and marked a great start for the Glitchverse Club.
